Dear Hiring Manager,

I am writing to express my interest in the Developer Intern position at Xanadu. With a foundation in Computer Science, 4<sup>th</sup> year student pursuing my bachelor's degree, and hands-on experience in C++ and scripting languages, I am eager to contribute to your team's success.

What excites me most about this opportunity is Xanadu's commitment to fostering an intellectual and collaborative atmosphere. The possibility to work with the guidance of senior developers and contributing to real projects from the start, aligns perfectly with my career aspirations.

I am proficient in C++ (2 course at my university and hands-on project experience) and have industry experience with Python and Git. Additionally, my ability to work effectively in team settings, coupled with my experience using agile and scrum development, positions me to make a significant contribution to your team.

Sincerely,

William Stamper
